Media Connect:

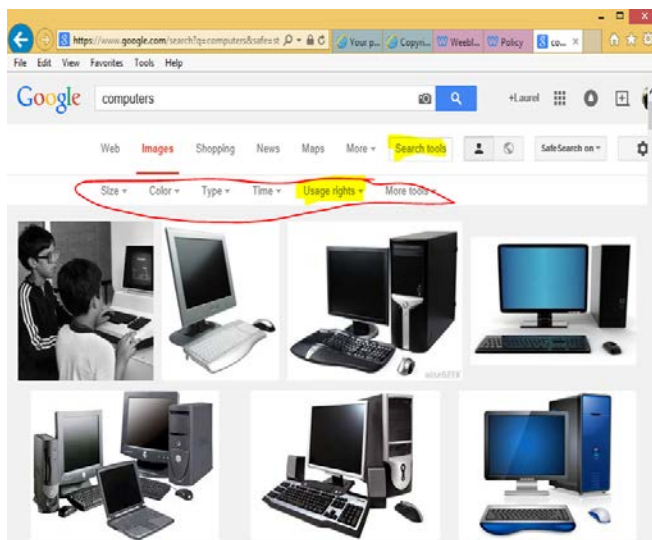

Subscriber may download, solely in connection with noncommercial educational use, copies of the Material designated on the website as "Downloadable". Copies of downloaded Material must be deleted or erased after use, termination of this Agreement, or termination of Subscribers registration- whichever occurs first. Any and all downloading shall be for individual Subscriber

convenience only, and Subscribers may not (i) systematically download any of the Material; (ii) create distribution libraries from the Material; or (iii) sell, rent, display, exhibit or otherwise transfer any of the Material to any third party outside of the Subscriber's classroom.

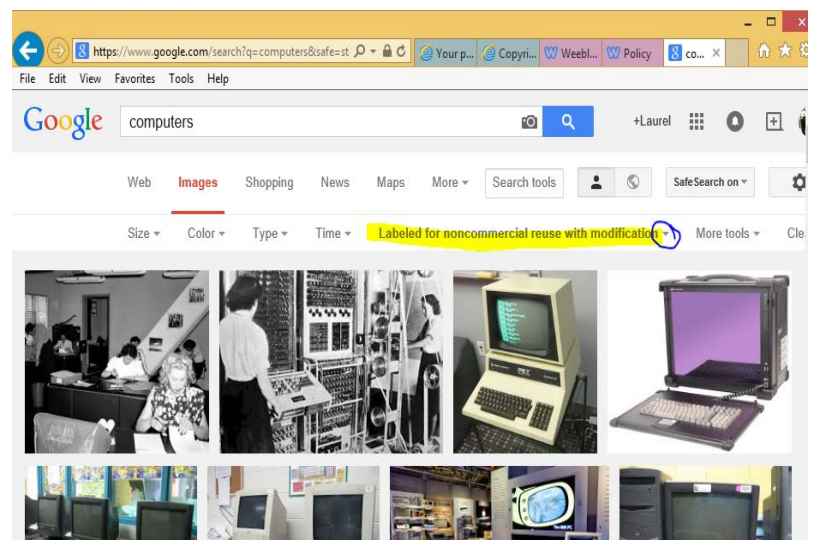

Subscriber may edit, solely in connection with noncommercial educational use, Material designated on the Website as "Editable". Such Material, as edited by Subscriber, or any part thereof, may not: (i) contain any libelous or unlawful materials or content or any commercial advertising materials; (ii) infringe upon any party's intellectual property or other proprietary rights, including but not limited to copyright, trademark, patent, trade secret and right of privacy; (iii) violate any U.S. or international law or regulation; or (iv) give rise to any actionable claim or liability. Subscriber must maintain all copyright, trademark and other proprietary notices included with all Editable audio and video files.
